### The Amazing Preschool Team

There is an incredible team who work so hard with Miss Pilkington in the Preschool. She would like to thank them for all their support, hard work, dedication, their care for your children and being an outstanding team to work with.

The Preschool would not be the same without you. Thank you for everything you do for the Preschool, you are greatly appreciated Miss Zammit, Miss Vassel, Leise and Michelle.

### Thank You

As the 2017, school year comes to a close; we would like to thank each and every one of you for giving your child the opportunity to attend Central Preschool.

This year has been absolutely amazing teaching and caring for your children.

We have seen your children gain a strong sense of identity, communicate with others, build positive relationships, nurture their personal wellbeing, learn many new concepts, ideas have fun and become the best version of the special individual they are in the Preschool and Community!

Many of our Preschool children will be spreading their wings and heading to Kindergarten next year. We wish them all the very best for the future and we will miss you! Come and visit us!

We have also got many children who will be returning next year; we look forward to seeing you after the holidays. You will be the wonderful role models who will help the new friends settle in and continue to be an important part of our Preschool.

### Highlights of Term Four!

- Our trip to Silverton and around the community.
- Dressing up in school uniforms as some of our friends prepare for school.
- Orientations to Kindergarten.
