Welcome back everyone to another awesome week of learning at Broken Hill Public School as we continue to inspire, show integrity and inclusion for all.

We are looking forward to the remainder of this term with lots of exciting activities coming up. A reminder to keep an eye on the term planner for events that may involve your child. Copies of the term planner are available at the front office.

Stage 2 Excursion

This week our Year 3 and 4 students will be travelling to Lake Cullulleraine to spend a couple of days involved in many outdoor activities. We look forward to hearing about their adventures.

Swim School

Swim School for Years 2 and 3 is fast approaching (next week) and we urge parents to return permission notes for the children to participate in this very beneficial program. As we are coming into Summer, and the weather is warming up, there is even more emphasis on being confident and competent in pools etc, to prevent unnecessary accidents in and around water.

Christmas Pageant

We have again entered into this year's Christmas Pageant to be held on Saturday 1st December. (Not 7th December as in the Term Planner.) Our theme this year will be *The Magpie Piper*. We are asking some children to join us at the start of the parade and then encouraging others to join in as we make our way along the course. We would then like a larger group to join in as we round the corner of Oxide and Argent Streets. More details of the event will be given shortly.

Planning for 2019

Thoughts have started toward organisation for 2019 with regards to student numbers and class structures. In order for us to have an accurate picture for next year, we are asking for families to please notify the school if you are planning on not being with us in 2019. Your assistance with this is greatly appreciated.

School Development Days

I would like to request families support to move one School Development Day scheduled for the end of Term 4 2019 (20th December) to the beginning of Term 1 2019 (4th February). **This will have no impact on families as the rescheduling is not on designated school days.** If you have any questions please don't hesitate to call me at school.

Yours in Education
