From the Principal

Welcome to another awesome term at Broken Hill Public School. We look forward to more exceptional learning at Central this term and continue to inspire the Power Of Positives (POP).

It is awesome to back in the school and getting up to date with everyone's learning journey whilst I was on leave. A very big thank you to Mrs Miani, Mr Thomas and Mrs Podnar for all their work and dedication in Relieving Principal and Assistant Principal roles over the last twelve weeks. It is greatly appreciated by all.

It is also great to be back and involved in many of the up-coming events and activities as we move closer to the end of the year. Information about Gold and Central Citizen rewards will be sent home shortly.

It's Hotting Up

As the weather is starting to warm up, it is timely to remind families about water bottles. On the really hot days it may pay to have a frozen water bottle that will melt throughout the day and provide nice cool water. Please ensure it is wrapped in a towel or in a separate bag to avoid condensation wetting everything in your child's school bag.

Christmas Pageant

We have again entered into this year's Christmas Pageant to be held on Saturday 7th December. Our theme this year will be 'Teddy Bears Christmas'. We are asking children to join in and bring along a teddy bear perhaps dressed in Christmas clothes. More details of the event will be given shortly.

Planning for 2020

Thoughts have started toward organisation for 2020 with regards to student numbers and class structures. In order for us to have an accurate picture for next year, we are asking for families to please notify the school if you are planning on not being with us in 2020. Your assistance with this is greatly appreciated.

P&C Meeting

A reminder about our P&C AGM/General Meeting on Wednesday 27th November at 6.30pm. We would love to have as many members of our school community involved and be a vital part of activities in our school.

As our School Vision says:

Broken Hill Public School is -

A dynamic school community inspiring life-long learning, building integrity and success for all.

School Development Days

I would like to request families support to move one School Development Day scheduled for the end of Term 4 2020 (18th December) to the beginning of Term 1 2020 (3rd February). **This will have no impact on families as the rescheduling is not on designated school days.** If you have any questions please don't hesitate to call me at school.

Yours in Education
