From the Principal

Welcome back to another AWESOME week here at Broken Hill Public where we continue to inspire, show integrity and inclusion for all.

Presentation Day

Our school's Presentation Day will be held this Friday, 4th December, in our School Hall commencing at 11.30am. Unfortunately, due to Covid19 restrictions, families and community members are unable to attend. We will be videoing the event and posting it on one of our platforms such as Class Dojo or YouTube. Recess and lunch times will remain at the same times.

We are looking forward to this special event and hope you will be able to watch it as a family when it is uploaded.

Central Citizen

As we approach the end of the year, it will be time to recognise many of our students with the Central Citizenship Badge. Due to Covid19 and Home Learning earlier in the year, this award will be presented by the Principal to students who this year have attained 140 Micas, demonstrated involvement in extracurricular activities, maintained acceptable behaviour and attendance and reached the Green level of Rainbow Reading. Central Citizenship badges will be presented at a special assembly on Friday, 11th December at 11.20am. A congratulatory letter will be sent home to parents/caregivers. Students who achieve Central Citizenship will be invited to attend a special event on the 11th December. Again, due to restrictions, families and guests are not permitted to attend.

Gold Awards Reward

On Thursday, 10th December, children who have received a Gold Award this year will be treated to a special reward. This will be held in the school at various time throughout the day.

Kindergarten Orientation

Last week was our final Kindergarten Orientation session and the children had a great time with their Buddies from Year 5. A big thank you to Miss Zacharia for her organisation of this year's orientation program. Thank you to the parents who joined us for our first virtual zoom parent meeting on Friday. We hope many of your questions were answered. Orientation is an important part of children becoming familiar and developing a sense of belonging in their new space.

Planning for 2021

Thoughts have started toward organisation for 2021 with regards to student numbers and class structures. In order for us to have an accurate picture for next year, we are asking for families to please notify the school if you are planning on not being with us in 2021. Your assistance with this is greatly appreciated.

It's Hotting Up

As the weather is starting to warm up it is time to remind families about water bottles. On the really hot days it may pay to have a frozen water bottle that will melt throughout the day and provide nice cool water. Please ensure it is wrapped in a towel or in a separate bag to avoid condensation wetting everything in your child's school bag.

Yours in Education

*Mr Michael Fisher
Principal*

WEEKLY CLASS AWARDS FOR TERM 4 WEEK 8

KV	Kaelyn E, Zanaya K.
