From the Principal

Welcome back to another AWESOME week here at Broken Hill Public where we continue to inspire, show integrity and inclusion for all.

Presentation Day

Last Friday was our annual Presentation Day held in the Primary courtyard. Due to COVID-19 restrictions, it was a slightly different event this year and we certainly missed having family and guests attending. Awards were presented to children for achievement, effort, cultural awareness, sporting achievements and commitment to learning. 2021 has been an awesome year for Broken Hill Public. We will continue to focus on **A**ttendance, **B**umping It Up with a focus in Literacy and Numeracy and **C**ollaborating together.

Remember; it's as simple as A. B. C.

We are looking forward to an awesome 2022.

The Presentation Day video is being edited and will be available on the YouTube channel and Class Dojo.

Stay tuned for the link.

Planning for 2022

Thoughts have started toward organisation for 2022 with regards to student numbers and class structures. In order for us to have an accurate picture for next year, we are asking for families to please notify the school if you are planning on not being with us in 2022. Your assistance with this is greatly appreciated.

Toy Run

It was amazing to see the support from our Central Family in bringing in toys to support the 'Toy Run'. These gifts will be redistributed to homes to support needy families during a special time of the year. Our normal tradition of having students present these gifts was unable to happen due to COVID restrictions and Presentation Day. Preschool was able to make an appearance to see the motorcycles and presents collected. Again, thank you to the children, friends, family and community who were able to donate to this worthy cause.

Changing Weather

As the weather is starting to warm up it is time to remind families about water bottles. On the really hot days it may pay to have a frozen water bottle that will melt throughout the day and provide nice cool water. Please ensure it is wrapped in a towel or in a separate bag to avoid condensation wetting everything in your child's school bag. As the weather has been unpredictable please ensure that students have labelled clothes to allow the safe return of any misplaced items.

Reports

School academic reports will be going home on Tuesday, 14th December. They will be enveloped and passed to the children in the afternoon so please check your child's school bag.

Important School Dates... School Start/School finish

Weekly Challenge:

Make a list of things for which you are grateful. An attitude of gratitude is a sure-fire way to attract positive vibes.

Thought for the week:

You have
two hands.
*One to help yourself,
the second
to help others.*
