# *From the Principal*

Welcome to another week of buzzing awesomeness at Central!

We have been busy this week with some fantastic opportunities and learning experiences for our students including:

- ✚ Preschool health screening and transition interviews with Jennifer Wellington (our school nurse), Jo Nicholls (preschool teacher) and Andrea Zammitt (Preschool SLSO).
- ✚ Year 5 students that wish to run for school captain positions are busily writing their speeches with a chosen mentor staff member.
- ✚ Miss Vassel has been organising Jeans for Genes day for this Thursday - a fantastic cause that is close to our hearts. Jeans for Genes day supports the Children's Medical Research Institute and this year, we have a very special family in mind when running this special event. Former Broken Hill Public School teacher, Sarah Gibbons, gave birth to beautiful Archie late 2020 and spent over 200 days in the hospital NICU with him with countless operations and medical tests to support Archie's well-being. Our donations this year will be to support all the little ones, like Archie, who start life a little tougher than the rest of us.

- ✚ Staff are excited that we can celebrate the Year 6 farewell and graduation with a school luncheon and are working hard to make the event super special for our Year 6 cohort.
- ✚ High School teachers coming in to test our Year 6 cohorts to determine 2022 classes.
- ✚ Whole school testing in literacy and numeracy to inform reporting, class programming and reporting.
- ✚ Mr Jones ran a beautiful Remembrance Day ceremony.
- ✚ Mr Hosken ran our first outside Bronze and Silver catch-up assembly.

There are so few days left in this school year - let's make the most of every single one of them.

Yours in education

Airlie Podnar  
Acting Principal

<b>6T</b>	Tristan C.		

# SCHOOL & COMMUNITY NEWS

**ALL YEAR 6 STUDENTS  
PLEASE PROVIDE A BABY  
PHOTO BY THE END OF THIS  
WEEK.**

## School Banking Update from Commonwealth Bank

For 90 years, our School Banking program has helped children learn about money, reinforced the importance of regular savings and provided structure for parents to support their children to save.

Though the program continues to have strong support from schools, parents and teachers, recent decisions by some state and territory governments because of a review by the corporate regulator mean we are unable to continue providing programs in schools, and we have had to make a difficult decision to close our School Banking program for all government and non-government schools across the country.

Our School Banking program was established in 1931 at a time when having a bank account was not commonplace, and since then we have helped more than 15 million Australians take their first financial steps. This would not have been possible without the wonderful support we have received from schools like yours, including all the parents and volunteers, and for this we are deeply grateful. Thank you.

Even though this is a sad time, School Banking has taught so many young Australians, past and present, the value of money and we believe this should be celebrated. We have created a place for you to share your stories, fondest memories and lessons learnt through the program. To share your story and access our financial education resources, please visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)

Even though the CommBank School Banking program will not be returning to your school after this year, you can continue to make deposits into your child's Youthsaver account through online transfers or at any CommBank branch. If you need further information please phone 132 221 or visit your local CommBank branch.

## **LOST PROPERTY**

**Has your child lost a set of glasses. Some glasses were found and handed into the School office. Please contact the office on 8087 3522 if you're a missing a set.**

**Thank you**

## KINDERGARTEN ORIENTATION
