Welcome everyone to our final awesome week of learning at Broken Hill Public School for 2023.

Reports

Reports will be sent home on Thursday. Inside you will find a visual representation of your child's attendance and a letter to support your child to be ready for an amazing 2024.

Central Citizen

This year, the prestigious honour of being named Central Citizens at Broken Hill Public School has been bestowed upon three exceptional students: Kaiden Sheridan, Olivia Coffey, and Aiden Honeyman.

The selection process rigorously evaluated each candidate's embodiment of the core values that define a Central Citizen at Broken Hill Public School.

Kaiden, with his unwavering commitment to supporting our Central Family and leadership, stood out as a beacon of inspiration.

Olivia's participation achievements and her dedication to fostering a positive and inclusive environment marked her as a standout candidate.

Aiden, with his student support as a leader and consistently demonstrated responsibility, showcased qualities emblematic of a true Central Citizen.

Together, these three students have not only excelled academically but have also exhibited outstanding character and commitment to the principles that make Broken Hill Public School a nurturing and thriving educational community. Their selection as Central Citizens reflects their collective contributions to the school and serves as a testament to their embodiment of the values instilled throughout their academic journey.

Best Start Testing

Students enrolling in their first year of Kindergarten will have Best Start Testing in the Meeting Room on Thursday 8th and Friday 9th February. These times have been booked. Our Kindergarten teacher is looking forward to seeing our incredible students in 2024.

Lost Property

We have a large amount of lost property in the school ranging from lunch boxes, water bottles and clothing. We will be shortly sorting through and donating items to the Uniform Shed and/or charity services.

If you have missing items, it may be worth having a look. Tomorrow is your last chance.

A very big thank you to the whole school community for a terrific 2023 and we look forward to seeing everyone in 2024 as we continue to inspire, show integrity and inclusion for all.

Merry Christmas to all and a safe and enjoyable school break.

Thought for the holidays:
