**Have an AWESOME Week!!**

### **Book Week** **'2018 Theme'**

Last week, we had an eventful week celebrating book week. Preschool came alive with the theme finding your treasure!

The children were extremely creative with their craft ideas and role play. We were excited to blow up a pool to use as a boat/ship in our role plays, during session two the extension went into time, weather and the changes in the sky throughout the day. The children were drawing the sun, blue sky, storm, rain, sun set, moon, stars and black night sky. The conversations and role play also led into what happens during different parts of the day. We will continue these interests in the coming weeks.

We also had some beautiful meditation sessions focusing on breathing and relaxing our bodies. The meditation stories were all about the treasures we have within our bodies that we can share with others around us such as kindness, smiles and hugs. We went to special places during meditation too.
