## Newsletter

Term 4, Week 1- 2018

### Important Dates

Wednesday October 24<sup>th</sup>: Children's day in the park- Please see note for more details.

### Welcome to Term Four!

We hope you had a wonderful holiday break with your children.

Term Four is a very exciting and eventful term.

Kindergarten orientation begins this term for our friends going to school in 2019 and we look forward to our friends continuing in Preschool being super role models to our new friends next year.

This term we hope to have an excursion in our local community. We will also have a Christmas end of year concert and other special events.

We will keep you up to date this term with upcoming events.

We look forward to an awesome term.

### Fire Fighters

The last week of Term 3, we were thrilled to welcome some of our local fire fighters into our Preschool. The children have shown an interest in workers in our community especially fire fighters. They came in their uniform, role played what to do in an event of a fire and taught the children important information about fires.

The children were able to explore the fire engine and spray the hose. It was extremely exciting for the children.

In Session Two, the children painted and made a fire engine out of a fridge box. The fire fighters were impressed and had a photo with the children and the real and made fire engine.

We thank our local community for their support and generosity. The children were happy to go home with home information and resources from the fire fighters.

### Friendly Reminders

Please ensure your child has the following in their bag:

- Spare clothes: some children have accidents or they are involved in messy play or water play. We learn through play.
- Hat and water bottle as the weather gets hotter this is extra important.
- Morning tea and lunch
- Home journals
- Library bags ( Session One: Tuesday, Session Two: Friday)

Thank you for supporting your child to be ready for learning and fun at Preschool.

### Welcome to our placement students

We would like to welcome Jodie and Adrina who are completing placement at Central Preschool while they study child related courses.

They both started with us last term and will continue with us at times this term.

Please make them feel welcome and thank you for giving them the opportunity for them to learn from your children and the educators at Central Preschool.

### Celebrations

Happy birthday to Lily and Imogene, who celebrated their birthday in the holidays.

We hope you had a lovely day with your family and friends.
