Term 2, Week 1 - 2019

Welcome back!

Welcome back to Term 2 of Preschool. Thank you for an incredible first term.

We are looking forward to another amazing term.

Week 2, we will start Library borrowing now the children have explored the Library. Thank you for bringing Library bags in so the children can borrow and continue to have story time at home.

This term, we will also continue to use Kinderloop to communicate about our learning, growth, developments, focuses and highlights in Preschool. We would love you to continue feedback and involvement in our program and preschool too, this can be done by commenting on Kinderloop and in the home journals, adding to our poster in our play area or have a conversation with staff.

We look forward to working in partnership with all families in your journey this year.

Easter Hat Parade

Thank you for an incredible family involvement in our whole school community Easter Hat Parade. It was wonderful to see so many families from both session one and two there. We appreciate your involvement in a memorable and exciting day.

Quality Improvement Plan (QIP)

All Early Years Services are required by The National Regulations to complete a Quality Improvement Plan. The aim of the plan is to help providers self-assess their performance in delivering quality education and care and to plan future improvements.

We have made changes to our QIP and updated it. You will notice the display in the orange family room is updated with new goals and our full copy of our QIP is also available in the family room where you are welcome to read and give feedback as we are always self-assessing our strengths and areas to improve.

Your ongoing feedback and communication is and continues to be valued and greatly appreciated.

We have some very exciting improvements to happen in our Preschool's physical environment. Stay tuned!

Screenings

Last term, the speech screenings were conducted by NSW Health. They will be in contact with families as soon as possible.

In the coming weeks, we will be conducting Occupational Therapy screenings in our Preschool. More information and consent forms will be given to you.

Thank you for your support and remember early intervention is the key.

Important Dates

Whole School Mother's Day Breakfast Friday May 10th

Mother's Day breakfast is held at 8am before school where all mothers or significant family members are welcome. We look forward to honouring special people in our lives.

School Photos: Wednesday May 22nd

More information about times and prices will be sent home soon.
