Our Emotions

We have been focusing on our emotions and communicating our needs. We are also learning to recognise the emotions of others and how to appropriately respond. We all care about each other so much and we want to continue to support the children to continue to build positive relationships with their peers and be inclusive to all children.

How are you feeling? Talk to your child about how you feel so they are continuing the focus at home. It is also important to recognise their emotions and respond to them too so they are gaining more understanding.

Some strategies we use at Preschool to support self-regulation.

- Deep breaths
- Squeezing our pretend lemons and oranges to release tension
- Putting our hands behind our back to then screw up our face and nose so the bee won't land on our nose
- Ask your child to show you!

Crazy Hair Day

Our school is having crazy hair day on Friday May 31st, raising money for Cystic Fibrosis. Preschool will also be involved in the day. Thank you for your donation.

Session One, Crazy Hair day will be held on Monday June 3rd.

We look forward to seeing your crazy hair.

Friendly Reminders

Please remember to pack spare clothes for your child as they may have an accident, get wet or dirty during play.

Also, as the weather gets colder, please remember to dress your child with warm clothes or put warm clothes in their bag as sometimes the weather changes during the day.

Thank you very much.

Some Highlights in Preschool

- School Photo Day, we were very excited to have a Preschool group photo with each session as well as a whole school and individual photo
- Session One: Attended the whole school incursion on Monday about friendships and social skills
- Construction with the boxes and wood, the children also requested glue so they did woodwork gluing as well as hammering with the nails
- Library Story time and borrowing
- Canteen orders
- Celebrating friends birthdays
- The Occupational Therapy Screening was very engaging and fun for the children
- The Teddy Bears Picnic Tea Party
- Learning more about Big Ben and the other London landmarks

We look forward to many more incredible experiences in our Preschool.

Thank you

Thank you to all the families who showed their support during Assessment and Rating this week. We were so proud to welcome the assessor into our amazing Preschool.
