### Cooking in Preschool

During play the children have been cooking in the sandpit, the playdough area and in the home corner. In the home corner we had the tea shop and now the party/teddy bear's picnic which has led to an interest in cooking cupcakes.

We were excited to try a new recipe to cater for all the dietary needs of all the children.

The children learnt about the different ingredients in the cupcake then helped make them. The Preschool smelt delightful as the cupcakes were cooking.

At the end of the day, the children chose icing colours and enjoyed tasting their creation as well as sharing them with their families. We hope you can continue the cooking interest with your children at home.

Please find attached the recipe.

Please note, session two substituted the plain flour for gluten free flour and nuttalex instead of butter.

### Friendly Reminders

As the weather continues to get colder, please dress your child in warm clothes and pack spare warm clothes.

### 2020 Enrolment Forms

We are excited to announce that we are now taking expression of interest forms for Preschool and enrolment forms for Kindergarten for 2020!

- If your child is returning to Preschool 2020, you need to fill in an expression of interest form.
- If your child is going to Kindergarten 2020, you need to fill in an enrolment form for Kindergarten.
- If your child is going to be attending another school for Kindergarten, you need to go to the school your child is zoned for to collect an enrolment form.

If you have any questions in regards to decisions for 2020 that have not yet been discussed, please feel free to see Miss Pilkington.

### Crazy Hair Day

Thank you for your support raising money for Cystic Fibrosis on Crazy Hair Day. Your children looked great with their crazy hair, you were very creative and thanks for getting into the spirit.

On crazy hair day, we were also creative making faces on our craft table and drawing faces with crazy hair during group time.

### Thank you

Thank you to Mariah and Lincoln's family who donated warm clothes and games to our Preschool. Thank you to Tyson and Alexander for ongoing donations of recycled materials. Thank you to all the families for donations to enhance our Preschool and program.

Your support and partnership is greatly appreciated.
