Term 2, Week 9- 2019

## Our Preschool Campfire

In Preschool, the children have expressed an interest in fires and cooking. We made our own pretend campfire and toasted REAL marshmallows.

Session Two had marshmallows donated by Ryda, he wanted to share a treat that he could eat with all his friends. Thank you Ryda.

During this exciting experience, we also focused on fire safety.

The experience also had a focus on manners, listening, following instructions, patience and self-control whilst having fun.

These skills are life skills which will assist your child every day. We are appreciative that you continue these skills and re-enforce positive behaviours at home.

## Friendly Reminders

Have you put your Preschool expression of interest or Kindergarten enrolment form in for 2020?
