

Dear Families,

Thank you to all the families who have returned their consent forms for Kinderloop. Please ensure Miss Dove has your email address and consent form so we can go live with your online communication in the coming weeks. We look forward to sharing more photos and highlights of our day at Preschool.

Reading Buddies

Last week, reading buddies started. Year 5/6P came down on Monday and Thursday to build relationships with the children through play and now beginning to read stories to Preschool. This is a very special time for both the Year 5/6 children and Preschool. Each term, we will have a different class come down for buddies.

News

The children have been doing an incredible job with News. Thank you for helping your child with preparing something to bring in. They have been building confidence to speak in front of their peers and share more about themselves. Keep up the great work!

Focus Area

In Preschool, we have been learning about the impact of the recent bushfires on the koala population.

We have been discussing what happened during the fires to the koalas and ways in which we can help them now.

In the coming weeks Preschool are hoping to organise a fund raiser to be able to adopt a koala of our own. More information about this will follow in the weeks to come.

Toilets

At preschool, students are being encourage to wipe their own bottoms. Educators are on standby to show how to fold the paper, and to assist if needed. Having conversations and demonstrating this at home is a good way to practise and help your child develop this skill.

Medical forms

Please ensure that your child has the correct medical forms handed into the office. With children turning four they will need to have the 4 year old immunisations. Asthma plans also need to be on the correct template.

Thank you.

Please forward all financial enquiries to the main school office or call Ph: 8087-3522

Koalas in the bushfires
