Central Preschool

Term 1 Week 7

Newsletter

Dear Families,

As we have been discussing koalas in the bushfires over the past weeks and we have been researching ways to help our koala population. Both groups have discussed ways to help and decided to adopt a koala (the one with the pink bandages)! Next Wednesday we ask for both groups to dress as or wear a koala outfit. Please help us by bringing a gold coin donation to adopt our pink bandaged koala.

Interest Area

The children made our cubby into tents. In our tent we like laying down and seeing what objects we can see in the sky, like to moon and stars.

The children have engaged in role play and stories.

I can't wait to see what comes up next week!

Reminder: Kinderloop

Thank you to all the families who have returned their consent forms. We will be sending out more regular highlights from Week 8. We look forward to sharing about our day in Preschool and encourage you to have discussions with your child about their day, friendships and about what they have been learning.

Focus Area

This week we have been focusing on germs in preschool. We have been talking about the impact germs have on our bodies and how we can prevent them.

We have been concentrating on washing our hands and coughing and sneezing into our elbow.

We have been learning a song to help us wash our hands. Try singing it at home as you scrub your hands!

*"Tops and bottoms,
Tops and bottoms,
In between, in-between,
Rub them all together,
Rub them all together,
Nice and clean,
Nice and clean"*
