## Newsletter

### Preschool face lift

While everyone was away the preschool room has had a bit of a face lift and shuffle. All the children are enjoying our new spaces and are putting our new belongings to good use.

### Home Journals

If you could please ensure your child's home journal is in their bags on their starting day. Group 1 Monday and Group 2 Wednesday.

The newsletters and other information sheets will be placed inside.

Thank you to all the families who have been saving us their recycled materials! We have an abundance in the store room ready to go. If we could please ask for a stop to the boxes, large and small, as we are running out of storeroom space. Egg cartons and cardboard rolls are still greatly loved.

### Clothes

With the cooler weather upon us we need to be dressed for freezing outside temperatures and warm inside. If you would be able to dress your child in layers so they are able to remove their warm clothes inside and layer up when playing outside. Spare clothes in your child's bag are still needed as water play is continuing.

Please forward all financial enquiries to the main school office or call Ph: 8087-3522
