

We love our garden worms!

Thank you to everyone who has been bringing in vegetable scraps for our worms. The children love opening the lid and seeing all the worms eating and hiding. Most of us enjoy holding the worms and feeling them wiggle. They are very tricky to hold as they try and escape through our fingers. We have been learning interesting facts about our worms as well. Did you know they are covered in small hairs that help them move?

Name Writing

Over the past weeks, we have been focusing on writing our names. We are starting to see some emerging writing from this activity. To extend on this activity, ask your child to write their name at home. You might be surprised on how good we are getting.

Preschool Fees

Due to COVID19 Term 2's fees have been waived. You will still receive an invoice, however please ignore and don't pay term 2. Thank you!

Save the Dates:

- End of term 2:
 - Group 1 Wednesday the 1st July
 - Group 2 Friday 3rd July
- School photos: Wednesday 5th August (Term 3 Week 3)

Please forward all financial enquiries to the main school office or call Ph: 8087-3522
