

Preschool Logo

Over the next term we have been given the opportunity to create a new preschool logo for Central Preschool. We will be creating these images at school, but you are more than welcome to create images at home. The image needs to be done by your child on half an A4 piece of paper. I can't wait to see what we create.

Education Week

Education week has come and gone this week and we have had so much fun. We all enjoyed our sausage sandwiches, games with the big kids and all the dancing. We are creating a sensory walk on the foot path that everyone will be able to enjoy on arrival to school.

School photos

Thank you to everyone for being punctual for school photos on Wednesday. Everyone had big smiles for their photos. I can't wait for families to get them back.

Catch-up meetings

Next week we will be having catch up meeting on Wednesday and Thursday. Thank you to all parents who have filled in the time sheet. There are currently a few spots available if you are interested in a catch-up meeting.
