

COVID- 19 Update Term 3 17th August:

Thank you for your continued support during our changing circumstances of COVID-19. As a means of supporting our school and community we will be updating you with any changes and notifications from NSW Health and Department of Education.

The current advice is:

- All School staff will be vigilant in recognising if any students are exhibiting flu like symptoms during teaching and learning activities. Where identified they will refer to the student to the sick bay or other appropriate area where they can be isolated and the school must arrange for the parent or carer to take the student home.
- In accordance with advice from NSW Health, parents and carers are reminded **NOT** to send children to school if they are unwell, even if they have the mildest flu-like symptoms.
- NSW Health have requested that schools encourage anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the COVID-19 Clinics. Students with flu-like symptoms will need to provide a copy of a negative COVID-19 test result before being permitted to return to school. There are a variety of ways of notifying the school of this information. This may be achieved by Kinder Loop or school email brokenhill-p.school@det.nsw.edu.au.

Book week

Next week is book week! The theme for book week this year is curious creature, wild minds. Group 1 will have their book parade on Tuesday 25th and Group 2 will join the school's parade on Thursday 27th. Please dress your child in their favourite book costume for a very fun day.

Reminders

Just a quick reminder to families to ensure your child has a spare set of clothes in their bag. We do love getting messy in preschool and at times have small accidents. A change of clothes is always welcome.

On drop off, please ensure you wait on the footpath outside the school gate until 9am. On pick up please ensure you are arriving before 3 pm.

Thank you

Thank you to Dann's pet supplies for the donation of large cardboard and flower beds for our preschool. We have enjoyed painting on the cardboard over the past week and can't wait to plant our new flowers!

Please forward all financial enquiries to the main school office or call Ph: 8087-3522
