

## New garden area

In the coming weeks Preschool is going to be getting a new grass area in the nature garden. Students have been planning what they would like to see and grow in this area over the past term. We are all very excited to see this happening.

As the rocks will be removed from this area, the drop off point will need to be changed to ensure the safety of the children. Drop off will commence from Week 7 at the main door. Miss Dove and Miss Zammit will have the table set up outside to ensure we are still maintaining our social distancing and safety in the preschool room. Thank you!

Please ensure you have handed in your kindergarten or preschool enrolment forms for 2021. These are due to the office as soon as possible.
