

Canteen

The canteen is available for preschool! To make ordering easier, from next week (week 9) we will have a lunch order tub next to the sign in sheet. Orders are to be placed as you sign in and the tub will be taken to the canteen at 9:30 by a staff member. If you could please ensure you write your child's name and class on their bag, along with their order and have the money enclosed. Preschool teachers will collect the change and hand it back to parents on pick-up. Group one is able to order on Mondays and Group two are able to order on Fridays.

Thank you to all families for waiting on the path until 9am! Please ensure you are not walking through the car park on pick up and drop off. A section of the carpark is blocked off currently for the arrival of our grass.
