

## Orientation

Schools have now been giving permission to hold orientation for Kindergarten Students for 2021. These students must have an enrolment form in to their next year's school so they are able to attend.

Central school will be hosting its orientation days on Thursday the 5/11, 12/11, 19/11 and 26/11. These sessions will start at 2pm and finish at 3pm.

Further information regarding this will be available soon.

For students who are attending different schools next year, I will continue to chase up information about their orientation and provide it as soon as possible.

With the end of the year approaching quickly we are asking families if we could please have some more recyclable materials. These will come in handy for future activities. If you also have any Christmas wrapping paper you aren't planning on using, we will put it to good use.

Just a friendly reminder that there is to be no smoking on and near school grounds. This is a policy that is very important to us. Thank you!
