

We are all having such a wonderful start to the term.

This week saw us practicing a lock down in case of emergency. All students followed the direction of the teachers and were able to lock down safely.

Just a few reminders:

- Please ensure you have spare clothes for your child in their bag at all times. This needs to be appropriate for the weather.
- We are asking families to please encourage your child to keep home toys at home, unless it is their assigned news day. We would hate for anything to happen to these toys.

Orientation

Orientation will be commencing soon in Broken Hill for students entering Kindergarten in 2021. More information will be given to families by the school your child is enrolled into. Students must be enrolled in order to attend orientation.

Fees

This year, due to Covid-19 Preschool fees for terms 2, 3 and 4 will be waived. For families who have paid fees for these terms you will be able to receive a refund. Further information regarding this will be available soon with a letter regarding the refund.

Dates to remember:

- 11/11 School Remembrance Day
- 13/11 Jump Rope for Heart

Please forward all financial enquiries to the main school office or call Ph: 8087-3522
