

Dear parents,

Just a few hot weather reminders this week. As we are all enjoying the water play in the warm, and sometimes find ourselves very wet, please ensure appropriated clothes are placed in your child's bag so they are able to change when needed. It is important that children are wearing sun safe clothing. Drink bottles are filled up continually throughout the day by staff members. If your child has forgotten their drink bottle please let us know so we are able to provide them with a cup.

It is crazy to think we only have five weeks left of this preschool year! And to think the good times just keep coming.

Dates to remember:

- Christmas concert (online)
 - Group 1- 24/11
 - Group 2- 27/11
- Graduation and party day (students only)
 - Group 1- 8/12
 - Group 2- 11/12
- Last day of the year
 - Group 1- 16/12
 - Group 2- half day 16/12

Please forward all financial enquiries to the main school office or call Ph: 8087-3522
