

Dear parents,

The coming weeks will see the start of our end of year celebrations. Our preschool Christmas Concert will kick off the celebrations. This year this will be held online. The concert will be recorded and placed onto Kinderloop and into the google drive we used for Online Learning. This will allow all families to view the songs and dances we have been practising. On this day we ask parents to please dress your child in their choice of Christmas outfit. We will have plenty of extra Christmas hats for children who may forget on the day.

The following week we will be holding Parent Teacher Interviews so families are able to pick up their transition statements for their child. A time allocation sheet will be placed near the sign in sheet in Week 7. Please complete the sheet in the time you wish to either see Miss Dove or receive a phone call. All parents who are unable to attend interviews will be able to collect their child's transition statement during drop-off/pick-up time.

Week 8 will see the end of canteen orders for preschool for the year. We would love to thank Jodi and all the volunteers for making us all such yummy food over the semester.

During Week 9 we will hold our party box day to celebrate the end of term and the year. More information regarding this will follow.

Exciting times ahead!!

Miss Dove

### Dates to remember:
