

Dear Families,

Thank you all for a wonderful week at Preschool. As the Department of Education guidelines around COVID continue to change, we are happy to share that as of next week (Week 8) we can have families come into the classroom at drop off and pick up times. This would be a wonderful opportunity for the children to share their interests in the preschool environment and to ask any questions to staff. We are very excited for parents to come in and see what we have been up to!

### Easter Baskets

We are getting very excited that Easter is coming up. The children have been participating in Easter activities and creating colourful Easter baskets at our craft table. In the next coming weeks we will make Easter hats for the Easter parade. Families can also choose to make their own Easter hat at home. Not too long until the Easter Bunny arrives, and he might make a visit to our Preschool classroom!

### Friendly Reminder

Just a friendly reminder that due to staff-child ratio and Government guidelines around Preschool hours, children are to be picked up by 3pm (and by 12pm on Wednesdays). This is to ensure staff can attend their staff meetings and have adequate time to prepare for the following day.

### Hand washing Song

"Tops and bottoms,  
Tops and bottoms,  
In between, in-between,  
Rub them all together,  
Rub them all together,  
Nice and clean,  
Squeaky and clean"
