

Dear Families,

Welcome back to term 2 of Preschool. Thank you for an incredible first term. We hope you had a restful holiday and enjoyed some family time. We are looking forward to another amazing term. This term, we will continue to use Kinderloop for us to communicate about our learning, growth, developments, focuses and highlights in Preschool. We look forward to working in partnership with all families this year.

## Social Skills - Turn Taking

Turn taking is a valuable skill for making friends, waiting, being patient, negotiating and problem solving.

We have been supporting the children to ask for their turn using their words, encouraging the children to respond to one another, praise them when they communicate and take turns.

We have been playing games and doing activities to take turns to explicitly support children during this time.

## Friendly Reminder

Now that the weather is starting to get cooler, we ask families to remember to pack spare clothes, especially warm clothes. Children are involved in messy play or water play. We learn through play. Remember to label your clothes with your child's name.

## Easter Hat Parade

Thank you for an incredible family involvement in our whole school community Easter Hat Parade. It was wonderful to see so many families from both Session One and Session Two there. We appreciate your involvement in a memorable and exciting day.
