

Dear Families,

We have had another wonderful week at Preschool. This term we will be including a 'looking back week' photo collage of what the children did during preschool the prior week. This is in addition to the Kinderloop stories that get regularly posted. This is another way we like to share what your children do in preschool.

Mother's Day Stall

Next week we will be running a Mother's Day stall in the preschool classroom. Gifts will range from approximately \$1-\$8.

If you would like your child to buy a gift please put money in an envelope/zip seal bag with your child's name, amount and number of gifts to be purchased. We will be limiting gifts to two per child.

Session one's stall will be held next Monday 3rd May.

Session two's stall will be held next Thursday 6th May.

Song of the week

*Open, shut them. Open, shut them. Give a little clap.
Open, shut them. Open, shut them. Lay them in your lap.
Creep them, creep them, creep them, creep them, right up to your chin.
Open wide your little mouth, but... do not let them in!
Roll them, roll them, roll them, roll them, roll them just like this.
Shake them, shake them, shake them, shake them. Blow a little kiss!*

Ask your child to show you the silly version of this song!

The colder weather is approaching! Helpful Hints!

As we approach the colder weather, especially at night-time and mornings, a few helpful hints to keep your child, family and others around you well.

- Keep warm- remember warmer clothes and jumpers on cold days.
- Please keep your child at home when they are sick to avoid others getting sick too. See a doctor where needed.
- Ensure your child is having a good night's sleep, eating healthy food and drinking plenty of water.
