

Dear Families,

We have had another wonderful week at Preschool. We have continued our focus on sharing and respect. We have discussed with the children what it means to be a good friend and ways on how to share our toys and taking turns. We are all friends at Preschool.

Water

With the cooler weather it is still important for us to be drinking lots of water. If you could please ensure your child has a full drink bottle in their bag at the beginning of the day. We are able to refill the bottle with the filtered water when needed.
