

Dear Families,

We have had another wonderful week at Preschool. We continue to focus on respect, belonging and caring for our friends. We have had a lot of discussion about sharing, taking turns, what it means to be a good friend, and respecting each other and our belongings.

Visit from Jenny Shroff

This week we are fortunate enough to have a visit from Jenny Shroff who is a teacher focused on hearing. She will be visiting Preschool on Tuesday for Session 1 and Thursday for Session 2.

The children will enjoy a story about healthy ears and will get a visit from Ben and Lucy the puppets! Ask your child about how blowing your nose affects your ears.
