

Dear Families,

We have had another wonderful week at Preschool. Crazy hair day is today. We are looking forward to seeing wonderful creations from children and staff! Watch this space for photos next week!

For the next two weeks our focus will be on the Olympics. We look forward to the many activities planned.

Reminders:

Please remember to pack a drink bottle with water every day for preschool. Also, we have had some children not bringing hats. We don't always have enough spares, so please remember to check their hat is in their bag.

Please remember to pack a spare change of clothing which is labelled. We have a lot of messy play and the occasional accident that requires a change of clothes.

Just a reminder that journals need to be returned each week so current information can be added.

Covid-19 Safety

Please remember to wear a mask when dropping off and picking up your child. It is a government requirement under the latest Covid-19 regulations.

Also, please sign in and out when entering the school grounds.

Preschool and Kinder Enrolments

2022 Kinder enrolments are available at your zoned school.

For Broken Hill Public School, enrolment forms are available at the office or can be completed online.

2022 Preschool expression of interest forms are available at our office.

Highlight for the week:

Session Two had a big focus on volcanoes. This was child led through play and support with the teachers to extend their interest. This culminated in a volcano experiment on the preschool grass area.
