## Newsletter

Dear Families,

As you are aware this week is Learning from Home. We will be contacting families this week to see how you are all going and how we can support you and your child at home. Keep an eye on Kinderloop for activities, updates and videos to keep learning from home fun!

### Resources & Ideas

**Water Play:** Finding any containers, kitchen utensils, soapy/coloured water, and have fun experimenting with measurement, tipping, scooping and playing.

**Cutting skills:** Using paper, cardboard, old magazines, cut out pictures, words, anything of interest and make a collage, sort out into colours, size, types.

ABC Kids iView and [abc.net.au/abckids](http://abc.net.au/abckids) have fantastic videos, activities and games to do with resources from home to keep learning fun.

**Cosmic Yoga:** To continue our program at home you can watch Cosmic Yoga on YouTube for stretches, movement and gross motor skills.

### Stay Safe

We hope everyone stays safe and healthy during these times. We are all thinking about you and your children. Please don't hesitate to contact us through Kinderloop if you have any concerns.

### Hand Washing Song

Tops and Bottoms,  
Tops and Bottoms,  
In-between,

Scrub them all together,  
Scrub them all together,  
Now they're clean,  
Squeaky clean!

### Highlight for the week: Book Week

As you are aware, the Book Week parade will not go on as scheduled. We encourage families to upload a photo of their child to Kinderloop so that at the end of the week we can make a slideshow of everyone with their outfits!
