

# Central Preschool

Term 4

Week 3

# Newsletter

Dear Families,

It has been so lovely to have our preschool friends back in the classroom. We have had a lovely week with session 1 and I am sure that session 2 is going to be just as amazing. The children have been very happy and have settled back in well to our preschool routine.

## COVID-19 developments

The 'Kiss and Drop' has been working well this week. Just a reminder that the COVID-safe guidelines we need to follow require all families and staff to **sign in and out** for drop off and pick up with the QR code provided on the entrance wall of the preschool and at the preschool door next to the sign in sheet.

Unfortunately, we won't be having families in the classroom at this stage. We will notify all parents as soon as we are notified of any upcoming changes.
