

Newsletter

Dear Families,

Thanks for another great week in preschool! Children have been talking about wanting to go on a bus ride so stay tuned for an excursion update coming up. Space will be our theme for the coming weeks. Towards the end of the term we will introduce 'Ocean Animals' as our theme to coincide with Ocean's Day on Wednesday 8th June.

School Photos

Wednesday 25th May.

We understand some children don't attend preschool on Wednesday but would be fantastic if your child could attend just for their individual photo.

Children not attending **Wednesdays** and all **session 2** children are welcome to come for their photo between 9.30am and 11.30am in the meeting room. If you are not sure where the meeting room is located - please go to the main office at the school and a staff member will assist you where you need to go.

We would encourage children to wear a preschool top or jumper for the photos.

COVID Testing

Thanks for those families keeping us informed on COVID cases. Please monitor for symptoms. Tests are available to all students.

Guinea Pigs

Shadow and River have returned back to preschool healthy and happy!

Thank you to Jaxon's family for donating watermelon for them.

If any families have food scraps, I am sure they would love them.

We have ordered a new home for them which will arrive very soon.
