# Newsletter

Dear Families,

The term has started so positively, the children have returned happy, settled and eager to grow and learn each and every day.

This term, we warmly welcome Patrick and his family into Session 1 and our Pre-school community. We look forward to getting to know Patrick and his family as they settle in. We are looking forward to hearing their news on the arrival of their new baby very soon. We are excited and can't wait for cuddles!

Expression of interest forms for enrolments in 2023 are now available at the front office. If you know of any children turning 4 by the end of July, please let them now that we are accepting expressions of interest now.
