SPARE CLOTHES - Water Play

With the weather warming up water play will be featured more within our program. We ask families to please pack spare clothes for your child and remember to label all of your child's belongings.

PARTY BOX CELEBRATIONS

For party box day we are asking parents/caregivers to organise a party box for their child.

(PARTY BOX DAY is a real Broken Hill tradition and many new faces to town wouldn't know exactly what it is. I got caught on this in my first year in BH.)

What you need to know:-

The box can be a show box or a box of any description which your child can decorate at home.

Children are allowed to bring lollies, chips, chocolates etc, however we wish to remind parents/caregivers to still pack a sandwich and some healthy options. Children will not be able to share their party food with others.
