Term 1

Week 8

Dear Families,

What a fantastic week in preschool we have had! I think we can happily say that all students are happy to come to preschool and certainly happy to see their parents or carers at 3 o'clock. Over the last week we have played in 'Bunnings', used the dress ups, had lots of slime/water and messy play, enjoyed making things with the new out-door blocks and experienced the school play equipment. We have been busy!

Social Skills

All day every day the children are learning to socialise, communicate and make friends. We have and will continue to have a big focus on manners and respect and using our words to communicate so others know what we are thinking, need or what we like, don't like and so on.

Please continue to support your children at home with these focuses.

THANK YOU!

Handwashing

Now we have all students settled into preschool, we will begin our handwashing routine upon arrival at school. Once children have unpacked their bag and popped their drink bottle on the trolley, we would like to encourage the routine of washing your hands before heading off to play. ☺

Sanitiser will be available on the top of the lockers if you prefer sanitiser.

Reminder

A reminder to please bring back your child's signed goal sheet and the family feedback form. We are always looking for feedback on how we can improve this service and value your input.

Children Unwell

Please be mindful that the Department of Education and Early Years Childhood has requested that students displaying flu like symptoms are required to stay home. You may be contacted and requested to collect your child if they present and are not well.

It is also recommended that children that have been vomiting are kept home for 24 hrs after vomiting stops.

Glitter Bugs

This week session 1 visited the Health Hub to do a glitter bugs session. We looked at how well we wash our hands. Session 2 will do this on Thursday so check Kinderloop for more photos from that session.
