

Term 1

Week 9

Newsletter

Dear Families,

Wow! We are almost at the end of the term already.

So many fun days and exciting things that have happened over the term. We are all settling into preschool routine and having great days.

Easter Craft

We have introduced some easter craft on the craft table until the end of the term. I am sure you are going to see some beautiful creations coming home with your child. Craft is an activity that is free choice. On the day, your child might not be interested in doing the craft activity. We are happy for the children to decide so please don't be upset if your child doesn't bring some of this amazing artwork home. 😊

End of term / Term 2 dates

Last day of term 1 dates:

Session 1: Wed 5th April
Session 2: Thurs 6th April

First day back for term 2:

Session 1: Wed 26th April
Session 2: Wed 26th April

Miss Jo will be away for the first two weeks of the term 2.

Easter Hat Parade

Easter hat parade will be held on Wed 5th April starting at **11.20am**
We will be making hats in the classroom but you are more than welcome to bring a hat you have made at home along with you on the day.

Fire Drill

This year, week 9 of every term both sessions will be involved in an emergency evacuation drill. This week we are focusing on a fire drill. The children will be introduced to the steps of what to do when hearing the whistle, what we expect the children to do (look, listen and follow instructions), line up and walking to the safe zone. During week 10, we will introduce the students to lock down procedures.

SESSION 2 - Volcanoes on Thursday and then jelly for St Patrick's Day on Friday.
