

Term 2

Week 5

# Newsletter

Dear Families,

Another fantastic week in preschool. They say if you choose a job you love, you will never have to work a day in your life! I can tell you, Miss Zammit, Mr P and I - love our jobs! We feel lucky to spend so much time with our preschool friends! Can you believe that it is already half way through this term? Preschool reports will go out in the last week of the term. Please feel free to speak to me if you have any concerns or worries about the report.

### Spare clothes

A little reminder to please put spare clothes in your child's bag in case they get wet or dirty through messy play.

### Hearing puppet visit

On Monday 5th June (session 1) and Friday 9th June (session 2) we have Jenny Shroft visiting with her puppets teaching children about blowing their noses and hearing.

### Gross Motor Skills

In Preschool, we focus on gross motor skills. We always have activities at Preschool like the trampoline, balls, circle games, bikes and more.

This week we are very excited to be using the obstacle course which has helped the children to be active and use some of their energy.

We will be continuing to go to the oval and go the play equipment to further develop fundamental movement skills.

### Prac Student Activities

Miss Jenna organised a pizza party for session 1 on Tuesday and session 2 will have their chance on Thurs or Friday. Miss Jenna planned the lesson linking in with the new pizza shop opening. Thank you so much Miss Jenna for this experience. The children have and will love it.

### Long Weekend

The Kings Birthday is on Monday 12th June so we will all be lucky to celebrate and have a long weekend on that day. Preschool will be back to normal on Tuesday 13th June.

### Educator training days / Leave Days

Both Miss Zammit and I will be attending the Munch 'n' Move training on the 14th June. Mr P will be here on his normal day and a replacement for Miss Zammit is being organised.

I have Leadership training on Tuesday 20th June in Sydney and then have medical appointments during the last week of school this term so I will be being replaced on those days.

# I'm sorry I got messy today but..

I've been exploring the water and learning about emptying, filling and pouring. Sometimes I might spill a little bit - the muscles in my hands are still developing.

There was flour in our messy area today. I was so interested in how it would make clouds if I threw a little into the air.

I loved the texture of the playdough, but I rested my arm on a little bit as I reached across the table. I didn't realise it would stick to my sleeve!

I was learning about what happens if I mix two colours together.. It's messy work, but the green paint on my jumper comes from the blue and yellow that I mixed!

This mark is from a pen. I'm trying really hard to learn to hold the pen and make marks on the paper.

The mud kitchen is very dirty, but it's so much fun! Playing there helps me develop my imagination and explore my understanding of the world. I watched you cook at home and I wanted to try by myself.
